“ Adell, was my Aunt but all of the cousins simply called her Adell. I think Aunt Adell didn't roll off the tongue easily or there were too many "A's," but for whatever reason, she was still our Aunt and we had so much love and respect for her. She was the most beautiful, kind, funny and warm lady I knew. She was so easy to talk to and most of all she was so kind. It was evident that everyone that knew her, was drawn to her beautiful, kind and spunky spirit. I am sad and feel a void and will miss her immensely. But I am comforted, knowing, what a glorious day February 1, 2019 was when her eyes opened and saw the Majestic Glory of the Lord. I am sure the moment she felt someone give her a "wet willie," and kiss her cheek, it was Uncle Roy and then Jamie saying "welcome home mama." along with all the others that have gone before her. Adell you gave so much love to so many, you will be sorely missed by all. However, knowing you are in the arms of the Majestic Glory of the Lord is where we will derive our strength and comfort in the days to come. There will never be another like you. I love you.
