“ Terribly sorry for your loss! Your dad was a great man!

“ One of my most favorite memories of my dad was when we were little, he would put us on his lap and let us “drive” the car in the neighborhood. It was especially cool since it was his Porsche

Here are a couple of pics of my dad with us and my boys.

I miss you, dad!

“ Memory: Allen, as you know, loved cars. He at one time had the most awesome silver Porsche with 4 in the floor and fast. I wanted to drive it so much. He handed me the keys and we took off. To let me drive was a supreme gesture on Allen's part. I could see him braking out of the corner of my eye. Lol

This shows that he always shared his good fortune with others. Suzanne has been my best friend since we were 3 years old. Being said we visited often. Allen was always kind to my kids and me. We are so proud to have known such a Smart, kind, loving man. He fought a good battle for a long time, never giving up. God be with you Allen and the ones you loved. You will be greatly missed.

“ Allen was the most dedicated and loving Grandpa, “Papa-Daddy”. We will miss his influence and presence terribly.

“ Allen was such a wonderful father in law, grandfather to our boys. We are going to miss him terribly. He was so kind and the empathy he shared when needed was different. He knew when you were hurting about something and he expressed his concern. I will always be forever grateful for the relationship I had with my father in law. I’m so thankful he was ours.

My sons were also very close to their grandfather they called “Papa Daddy”. He loved the boys and they will miss him so much.

Coen and I were able to visit Allen in rehab several times as he got stronger and stronger and anytime we showed up, Allen was so happy Coen was there! They had a special relationship and it was so precious to see. He absolutely doted on Coen and Josh Ryan.

Allen was able to come to Josh Ryan’s cello concert in May and he sat by my side and was so proud to watch JR play on stage. He was dressed to the nines like always and I was so thankful he made it to the concert after his tough year. He was a fighter and worked so hard getting stronger, walking everyday.

It breaks my heart that their relationship ends on Earth but his memories will live on and I just know he will be with all his loved ones in spirit. We will miss you Allen!! We have been blessed by him for sure.

“ Allen was always one of the kindest and gentle-hearted men I knew. Our family had some troubling times and the White family was always there for us. Susan and my mother are lifelong friends to this day. When my sister and I would go with our mother to visit both Susan and Allen when we were kids, I was always so excited to get my Dunkin Donuts card for our free dozen donuts. Allen always had a smile on

his face and kind words to express to the both of us. I was able to visit with Allen a few months back at both the hospital and his home and still, after all he was going through, Allen was still the man I remembered from my childhood. I know you are in a better place now. God Bless you, Allen White.
