“ Potter Family,
You all know how much we love you; part of this love is because of how this woman loved you and taught you so well. Mr. and Mrs. Potter have raised some beautiful kind, thoughtful, loving human beings. This alone is a statement of Mrs. Potter’s character. She can certainly be proud of the legacy she has left in this world. She will be remembered often and joyfully for the love she had for her husband, children, and of course the way she could bake an incredible apple pie!

“ I never had the pleasure of meeting Mrs Potter, but her daughter Becky is my dear friend. Knowing the character that Becky possesses makes me certain she gained that from the way she was raised. Becky always spoke so fondly of her mother. I am confident Mrs Potter is at peace with our Lord now. My prayer is that the whole family will gain peace and comfort knowing their loved one is now pain free .

“ Corine has been my dear friend since we met in 8th grade in

Wolfe City, & shared a bus ride to Aberfoyle & Black Cat

Thicket. Prior to my country school transferring to W.C. her

Mother was my teacher one year.

Corine was the most gentle soul I've ever known. Very quiet &

very smart. We had many laughs together in high school, & in

recent years were able to stay in touch by phone & letters. I got

to know how much her family meant to her, & stayed in touch

with Becky by FB. To Carlus & family, Corine will be missed by

everyone, but it is a comfort to know that's only temporary. We

all look forward to our Eternal life.

God Bless each of you.
