“ Eddie and I are heartbroken over the loss of a dear friend Chuck Glover! He and Eddie were college roommates at UCA in 1985. We shared so many wonderful memories with he and his wife Lisa! Chuck's accidental death this past week has been a stark reminder of just how precious life is! Chuck was a wonderful father, husband, son, and friend! While our shared Christian faith comforts us that we will meet him again, we can't help but feel the sadness of not having him in our lives! One of the realities that you face as you get older is that you can't make new old friends! We lost a good one this week!

“ Chuck was a great ambassador of a people-first attitude. I had the pleasure of receiving his mentorship during a stressful leadership transition. He told me to just "Do me" and basically to heck with others, be you and take ownership. It definitely helped me course correct a challenging professional time and helped me get out of my own way to unlock other doors. I am grateful for his candid and transparent guidance. He was a great storyteller and touched many professional lives in a personal way. His family should be proud of the Leader he is and thank you for sharing him with us. My sincere condolences to his family at this time. God Bless Chuck and prayers for his family at this time.

“ This is such a tragic loss. I worked with Chuck at DSW years ago and he was my Regional for some time when he looked over the Denver market. He was instrumental in my development as a leader because he always took the time to listen and was never afraid to think outside the box. I actually looked forward to corporate visits with him because he was so much fun. My mom worked for DSW too and when my brother passed away back in 2008, Chuck dropped everything and flew to Oklahoma to attend his funeral. We have family that didn't even do that and here was my former Regional manager flying out to support my family at the worst time of our lives. I have no doubt his family will have the same support around him during this awful time since he touched so many lives. He spoke of his wife and children all the time and was such a proud dad and husband. You all are so loved by him as he is by you, and he will be terribly missed.

“ In memory of our beloved nephew, Chuck. He was born with an infectious smile and a zest for living life to the fullest. And he did! He was a loving father and a great mentor to his son and daughter and a loving husband to his wife Lisa.

He was a hero to all his family. Our consolation is knowing he was a child of God and one day we will see him again in Heaven!

We love you, Chuck!

“ Chuck was one of the first people I met when I joined DSW. We played golf together and despite our lousy golf games we had a lot of fun. He gave me confidence that I had joined the right company and I was so proud to work with him for many years. He was absolutely a great example of what 'Very Good' looks like and there was no one I respected more. My heart goes out to the family and friends of Chuck - he will truly be missed. May God bless you all.

“ Jo Ann and Charles and family,  
I can't begin to understand the sadness your heart must be feeling. Chuck was always smiles even when he was a young boy. I loved seeing his beautiful hair at Aunt Lottie's on Sunday's. Bashful at first but it didn't take him long to warm up with that million-dollar smile. From the pictures, I can tell he was a very active father in his children's lives, which was a wonderful testament to his own upbringing. May you find peace knowing that he is rejoicing with his grandmother and other family that have passed on.  
Love you all...Brenda

“ I started working with Chuck back in 1994 and worked with him for 7 years with Kmart in Laredo Texas. I have to tell you he was the best district manager I have ever worked for. Chuck was a very genuine, honest and understanding. I got to know him even better while we work together opening a new store in Laredo as well as his young family that he adored. Chuck was a great family man and was so proud of his kids Brett and Chris. I will always cherish our time together and the many memories. Chuck was truly an inspiration to anyone who has met or worked with him and he will be missed. My thoughts and prayers with Lisa, Brett, and Chris.

“ I am so sorry to hear this news. My heart hurts for all of you. I had the pleasure of working with Chuck at DSW. We always talked about baseball and our families. He always showed up with a great big smile and energy that was contagious!! My prayers are with you all.

“ When I think of Chuck, what I remember most was how much he adored his wife and how proud he was of his children. While traveling stores with DSW he often spoke of them. While introducing me to my San Antonio team, he took me on a tour of the New Braunfels area and shared fond memories he had with his family. He loved his family deeply and they him. “ Chuck Glover made it possible for me to meet and marry my childhood sweetheart. We hadn't seen each other in more than 25 years and reunited when Chuck hired me at DSW in 2007. He was a great man and I will truly miss him.

“ Charly and family my heart goes out to you each and every one. I met Chuck many years before through Lori Smith, such a caring and fun-loving guy and always polite and clean cut. I can only imagine the hurt and loss felt to all in the family during this time of loss.

May God spread his love and compassion over the entire family during this time of loss is my very prayer for you all.

Chucks work on the earth was done, for his mission was complete in God's eyes, a brighter day is coming for us all in his kingdom.

Love you all

“ Lisa, Brett, and Chris: Our hearts are heavy and sad concerning your loss. From the time we met you all 16 years ago with baseball to the trip for Chris and Kelly to play in Myrtle Beach and New York City in 2007 and the friendship that followed, your family has been a role model for others to follow. May God Bless You, especially during these difficult times.

You all made Chuck a very proud man, husband, and father.

“ Chuck was the first field guy I met when I joined DSW. We toured a ton of stores in Houston with Jim Mires. He refused to sit in the front even though he would have been more comfortable. We shared a passion for faith, family, and shoes. Even though it was years ago, I remember it vividly. He bragged and bragged about his family. I was so impressed. I also remember he was always calm and always smiling. His team in the stores had great respect for him. He led with a culture of excellence. He brought grace, class, and distinction to all he did. I'm a better person because I knew him.

“ Receiving news of this simply took my breath away. It was so unbelievable that I have yet to come to terms with it. I cannot even begin to imagine what my sister, nephew and niece are going through. If there is any consolation it is that he was pursuing his dream and trying to provide for his family. I did not get to know him as well as I could have. Distance and circumstances prevented it. However, I know he was a good father and husband and there can be no higher tribute to his life than

that.

“ I am so sorry to hear of my cousin's passing. Chuck was always a pleasant, kind, and loving man. As children, we played at our grandparent's home, every Sunday, and had the best of times. I was proud we reconnected, after many years, on FB. IM praying for my Uncle Charles, Aunt Joann, Jane Ann, Lisa, and children. May our FATHER, be with you today and in the days ahead. Rest in JESUS arms now, Chuck.
