

Dannyelle "Dani" Brennan

November 26, 1970 - August 21, 2019

Dannyelle "Dani" Marie Keehbauch Brennan, 48, of Garland, Texas, was promoted home to spend eternity with our Lord and Saviour on Wednesday, August 21st, 2019. Dani was born on November 26th, 1970 to Yolanda "Loni" Isabel Keehbauch and Ronald "Ron" Leon Keehbauch in Owosso, Michigan. She graduated from Carmel High School in Carmel, Indiana before attending Ball State University where she pledged Alpha Phi sorority and graduated with a Bachelors of Science in Sociology. She went on to provide care for others in Hospice settings and later joined the corporate ranks of Caravan Health as Regional Vice President utilizing her skills in the nursing field to assist in improving patient care and health programs.

Dani enjoyed many things in life. She had a creativity and talent for DIY projects, often times giving Pinterest a run for its' money. She had a perseverance and drive which enabled her to be one of those special people who could just make things happen through sheer will. “ Where do I start...we were born a couple months apart and spent so much time together. I will forever cherish our times in Mendon; ice skating, sledding, video games, annoying Tommy, being too cool for Natalie and Junior (Gooner aka Gary), picking strawberries and ice cream. Of course Toro! As teens...we had fun and loved our California trip. As young adults... I was in your wedding and remember sleeping with Fatso... the fattest cat. Then kids and life. We have so many memories and they will forever be in my heart. I am so happy we have spent time together and loved being with you and Doug. I promise to take care of your Mom. I know you are an angel. I know you and Gary are together. Love you girl!

“ Love and Prayers go out to Cousin Dani's husband Doug, her children, grandchildren, Aunt Lonnie & Uncle Ron, her older brother Cousin Tommy, her younger sister cousin Natalie & brother n Law Jeff. My heart. Love and prayers go out to all of you
I was 7 when she was born and remember when Aunt Lonnie first introduced me to Dani when she was just a couple months old. She was the prettiest Baby I'd ever seen with sparkling eyes, great big dimples and lots of smiles and giggles when Aunt Lonnie talked to her.
She was a beautiful baby, and a sweet, smart, loving human being.
Aunt Lonnie and Uncle Ron my heart goes out to you both. Thank you for blessing us all with Dani. She was a gift and a sweetheart. We will all love and miss her always.

“ Beyond heartbroken that we lost our Cousin Dani two days ago. It seems like yesterday that she and Cousin Yvonne were graduating from hs and visiting me from Michigan. They spent their Senior Year Spring Break in Fresno, Ca and chose to stay with me, at my condo for 2 wks! They were precious and beautiful and I knew I better keep these two 17 yr olds on a "fairly" short leash...or I'd have to answer to their Moms, Aunt Maria Mihlbauer and Aunt Lonnie!
Had a blast taking them to see INXS at the Selland arena 32 years ago!
What a great visit, and what an awesome memory, that I will always carry with me, in my heart.

I love you dear Cousin, and I love Dani and wish she didn't have to say goodbye so suddenly and so soon in life. Pancreatic Cancer came in like a thief in the night, and took her at age 48, without notice in just a few short months.

God called her home, and she will forever be our beloved cousin and angel. RIP sweet Dani

“ Dannyelle was one of my closest friends when I first moved from Chicago to Mendon Michigan. She welcomed this young nervous city girl with open arms and I'm forever grateful for her kindness & friendship. Some of my best memories together are swimming in her above ground pool, playing Atari for our first time ever (so cool), cheerleading camp, and summer parties down by the river at my house on Pinhook. She was beautiful inside & out and I'm so happy to have known her. My condolences to her family for their loss. Prayers of peace & comfort.

“ Dannyelle and I became friends when she lived in and attended Mendon Schools. We would spend hours making up dance routines to her parents old records. I will always remember her smile and laughter. ~ Patty Samson

“ Dani, you were such a ray of sunshine. Your smile could light up a room! I remember walking into that Mexican restaurant in Arizona where we first met and thinking to myself you were going to be an amazing addition to our work family. You will be missed my friend. I just wish I had one more day to tell you how much you were appreciated by me and your clients, who loved you dearly. Rest easy Dani, see you again soon.

“ Dani, you were the first person I connected with at our new job in December. We had matching outfits, but you made that dress look so much better ☺. Your gentleness was something I was immediately drawn to. You had this ability to demonstrate kindness and patience no matter how chaotic life would become. I learned so much from you in our very short time together-not just about business, but about how to carry oneself through life, spreading love everywhere. I have missed you terribly over the last few months. Save a spot for me next to you in heaven.

“ Dannyelle, love you lots. I know you are with God in the Kingdom of Heaven. Memories...oh, let me see...you lived in Adrian, MI; a beautiful baby. I remember your high school graduation and when you and Yvonne came to Fresno- great memories will be with me forever. Let me not forget the summer family reunions at Aunt Maria's cabin in Harrison. I remember you enjoying the family. It was such a happy time. Brooklyn, Michigan was just three years ago where we got to meet your husband, Doug. And Yvonne and Joe had a cabin there and were swimming , drinking and eating along with a lot of visiting. I love all of my memories of you. Such a beautiful girl inside and out. May God take care of you.

“ Dearest Dani, I remember one afternoon your mom and I went shopping, leaving you and Natalie with Uncle Alex. When we walked into the house what did we find? Uncle Alex sound asleep in his recliner with a foot on each of you girls. All 3 of you sound asleep, not a care in the world. When your uncle woke up he said if either of you moved he would wake right up. Not sure, but I believe that was the end of his babysitting. If you could laugh about this story-that would be perfect. We loved you then and we love you now. May God forever watch over you and bless you. Love always, Aunt Patty
