“ McNeely and Salter Family,

My thoughts and prayers go out to you. I am terribly sorry for your loss.

I met Dustin at Hendrix through football and truly don't believe I've met someone with a more hard-working, dedicated but at the same time loving and caring in my life! Come to think of it, I don't think I ever recall seeing him without a smile on his face. He always knew how to make a crowd laugh as well! I last saw Dustin at the Hendrix Career Fair in March, he was actually the first person to stop, say hello and catch up that day and that conversation definitely put a good feeling in me for the rest of the day.

Dustin, please know you are loved and remembered. I hope you pursue acting as the guardian angel over your friends, family, teammates and everyone you have touched.

God bless, man.

“ Dear Dustin, we knew you before you were born. When your mother worked with Brendy at the Flamingo. Your dad Dustin Sr gave one of my friends a tattoo. About 10 years ago I brought the family to TX and stayed with you guys. We had fun hanging out. Since then your mother and step father have bragged about each of you boys. The things I always heard was how proud they are of you and how much of a badass you were on the football field. She even had me do an edit of one of your pictures. Just this last June I came and stayed with you guys. Had some good talks and even let you borrow my bike to go for a ride. Something that I never do. But I trust you, so I knew it was safe. Dustin we are all going to miss you dearly. Love the Cook Family.

“ It was awesome having you over here in Holland last summer. We had a couple of great days with you, showing you and your parents around. Was so great seeing you enjoy going to Madurodam, Deltaworks, nice family dinner at our place and having ice cream at the sluis, going to the beach and..... the smile got even bigger when you were on the motorcycle following us around enjoying the beautiful ride along the coast. Roel, my parents and I are honored to be a part of creating those wonderful memories last year. Wherever you are right now, I know that my brother will be there

to guide you and keep you company. Sending all the love we can here from Holland. You will be missed by many and you will stay in a lot of peoples hearts forever! Hugs from Holland

“ Dustin you were such a beautiful soul! Kenneth always spoke highly of you!! We all adored you! I was so happy you and Kenneth became friends, from elementary, jr. high & high school watching you grow up to become a young man made me so proud of you & your accomplishments! I remember walking into Walmart and looking up and I saw your bright smile, you asked me if I needed help and you proceeded to take my item to my truck for me. You gave me a hug and told me it was good seeing me. You told me to tell everyone hello. I can't believe you're gone. My heart and prayers are with your family! This one hurts so bad! Rest in Jesus Arms! Thank you for always being so kind and such a great friend to my children! You'll always hold a special place in our hearts! We LOVE you Dustin!

“ Thank you for all the great memories & times we had together, you were truly a great person. I remember you being one of the first friends I ever had when I first moved to Rockwall, you & your family always welcomed me with open arms & treated me like I was a part of the family. From the times we’d ride the bus to & from Hays, to you stopping by at 5:20 in the mornings & picking me up for morning liftings, I’ll never

forget those times & all the countless amount of convos we had. You always had a positive mindset and were always there for me when or if I ever needed you. I still can't believe that you're actually gone bro, please just watch over me & your family until we all meet you again. Whenever I get back on the field this season & from this point on you know ima put on & hold it down for you. You are definitely truly missed dawg & will never be forgotten. I hope you're loving it up there in heaven right now. I love you.<3 #DMac

“ Dustin was an amazing young man. We remember you at Utley and playing football at Rockwall. You and Kyndal were in the same grade all those years.
