“ A very good and helpful friend since our high school days. A cousin of my wife, Efren was my buddy in Dumaguete City in the mid 70's. We shared the same roof while working with different companies. It was in Dumaguete where he met his beloved wife Emy, and their journey continued to bloom. Rest in peace, my friend. Surely we will miss you forever. Our deepest condolences to your family. From Fermin and Rosie, Rovic, Rendou, Ferrychie and their families

“ Eternal peace Tito Efren. My memory of you was giving me a hitch to school with my cousins my whole grade 6. I was very quiet and shy during that time, but you would always reach out to me. Thank you for those kind times. Prayers and hugs to Tita, Ate Len, Mimi and Ton2. May they find comfort in the wonderful memories you left.

“ I write this tribute to a wonderful and beloved cousin, Efren Domingo, who was taken from us too soon. Although my heart is filled with great sadness and pain, knowing that I will never see him again, but I consider myself incredibly blessed that I have known, loved and laughed with Efren, whose zest for life and capacity to love and live life to the fullest was so inspiring. Growing up with Efren in Davao City, there was never a dull moment, because he had a great sense of humor, and had the ability to make me laugh with his countless jokes. He had such a gift to bring joy and smiles to people around him. He was a kind, loving, warm, and devoted friend and cousin, who valued his family above anything else. Needless to say, I will miss him terribly, until that day we will see each other again. So through the tears and sadness, I see the blessings of knowing and loving you - a great and noble man, and the best cousin anyone could ever hope for. Rest in peace Fren....JOHN 11:25 " I AM THE RESURRECTION AND THE LIFE...HE WHO BELIEVES IN ME WILL NOT DIE BUT HAVE ETERNAL LIFE".
