“ OMG, where can I start? Troy, our friendship and brotherhood could never be explained in words, all the way back to Franklin Junior High in Abilene, TX. Until just last week, you were here on my couch talking for hours and hours. My love goes out to your family for sure. Brother, you will always be in my heart and prayers. Thanks for all the memories.

“ He told my kids he got in a fight with a giant grizzly bear, and that's how he lost his fingers. But since he eats his vegetables he was strong enough to win the fight. Now my son eats his vegetables
