

Gerry Caldwell

April 20, 1952 - May 1, 2021

“Wheelchair” Gerry Caldwell, age 69, of Rockwall, TX, passed away on May 1, 2021. He was born April 20, 1952, in Pittsburg, TX, to H.D. Caldwell and Wanda June (Fowler) Caldwell. Gerry was a fixture in the downtown Rockwall area for many years. He loved visiting many of the businesses each day and was always willing to lend a helping hand. Gerry never let his handicap get in the way of his entrepreneurial spirit! Always attached to the back of his wheelchair was some kind of crate or basket carrying something for sale. From novelties to plants to homemade refrigerator magnets. One of Gerry’s companies was “Moonlight Printing”. He made custom business cards for many businesses around the square. Gerry was also a computer whiz. Computers were his greatest passion. He helped many local businesses set up their websites and maintained them. Gerry’s independent spirit was an inspiration to many and his great smile and aroma of his pipe will be greatly missed.

Gerry was preceded in death by his brother: Rickey Del Caldwell; and his parents.

A graveside service will be held 3:00pm Saturday, June 5, 2021, at Rest Haven Memorial Park.

“ We moved in across the street about three years ago and Gerry and I bonded ...we were both old fools from the old school computer nerds... I helped him troubleshoot his computer on more than one occasion... A lot of people find it hard to understand him but I always could understand him even if I didn't understand the words. He accomplished more in that chair than most people will ever accomplish (including me)... I will miss that head-back laughter. I know you're walking streets of gold ... free at last
