“ My mom and my dear friend, I love you. So happy to have spent two weeks with you and the family in January. A fun time and special moment. We talked about our Lord Jesus Christ. We talked about our life after death. You said that you believe that Christ came to save our souls and forgive our sins by dying on the cross. You believe that He is risen from the dead, therefore you are, too. You are in a very special place, mom. Fit for a queen. We talked about you being a queen often. No more sickness, no more worry. I explained to you a little bit about what I know of Heaven. You listened but now you know exactly. I bet it's beautiful beyond words. I love you, Mom! My best friend who never gave up on me and in the end voiced to me how proud of me you are. To be with you one day will be a great day. We can sit down and have a cup of coffee and a donut with Jesus. I miss you much. I love you.

Always your son, Jamie
