

Hunter Cole Starnes

November 1, 1997 - November 22, 2018

Hunter Cole Starnes was born November 1, 1997, in Dallas, TX, to Kerry Don Starnes and Jenifer Leigh (Donaldson) Starnes. He attended Rockwall High School and graduated in the fall of 2015. Hunter played sports over the years, but his favorite sport was football. He was a young man with a caregiver's heart and loved being a big brother to Tommy. They had an unbreakable bond and enjoyed hanging out and playing games together. Hunter was also a big animal lover. He would take in and care for cats and dogs and they just gravitated to him.

Hunter was accepting of everyone. He was kind, helpful, loving and had a huge heart. He will be missed tremendously by his family.

Hunter Starnes, a resident of Richardson, Texas, went to meet his Creator on November 22, 2018, at the age of 21. He was greeted above by his grandparents, Troy and Alice Starnes.

Hunter's life will continue to be remembered by his mother: Jenifer Starnes; father: Kerry Starnes and wife Susan; brother: Tommy Starnes; grandparents: Vicki Joswiak and Mike Donaldson; uncles: Jerry Starnes and David Donaldson; his dogs: Flash, Minnie Pearl and Jake; cat: Dart; and other relatives and close friends.

A Celebration of Life will be held at 4:00pm on Friday, November 30, 2018, at Reflections at Rest Haven Funeral Home – Rockwall Location with Dr. Russell Rogers officiating. Immediately following Hunter's Celebration of Life there will be a small gathering for friends and family at his grandmother's house, 2409 Golden Willow, Richardson, Texas. “ I'm so sorry to hear about your loss, we don't know each other but I feel your pain. My son was 21 also and he passed away in March 2018. I can tell you that this is the hardest thing and the worst pain that you could ever go through, but only God is the one that can help us day by day, I pray for you and your family, if there's anything that I can do just contact me, even if you just want to talk or have someone listen.

“ Hunter, your 22nd birthday passed last Friday, November 1, 2019. We miss you so terribly. You added so much to our lives. We remember your last months were so happy, full of hope, big future life plans and always smiling. Despite our still raw grief I am so grateful for the 21 years we had you. You left me with wonderful loving memories. You were my first grandchild and introduced me to a new kind of love. A love that forever changed me for the better. Honey Bunny, I love and miss you. Love is forever. My comforts are the wonderful love we shared and knowing we will reunite in Heaven at some point. Much love, Mimi

“ I heard about this terrible, tragic news recently and was a wreck for hours. I'm still in shock and trying to digest this news... So horrible to hear this, one of the sweetest kids I've ever known. Funny, smart and just a nice, good person. Just speechless... I feel bad for everyone in his family, especially his brother because I know they were so close.

Sincerest condolences...

“ May God's love sustain you during this unthinkable and most challenging of times. Hunter was a bright light who had an electrifying personality and a smile that was contagious. My favorite memories are of the laughter he brought to our 6th Grade Yearbook class on a regular basis! May our God hold you tightly during this most difficult time. Sending love and prayers, Kathy
