“ In loving memory of our precious daughter-in-law. The day Jessica married our son Jason she told me upfront " I have a mom what should I call you " I said Mitzi is fine. Jessica said oh hell no I will call you Grandma so when our children are born they will know your voice...so tears of course and that was how our relationship began. Jessica was diagnosed with Lupus 14 years ago and she was aware of no cure and she truly lived each day of her life to the fullest. She will be missed by all who knew her and forever in our hearts.

“ Jessica was one of my best friends for 19 years. So many adventures and memories with her I will always have. She was such a fun, easy-going, sweet, precious person who just lived every day she had to its fullest. Everyone who knew her couldn't help but love her and she will be forever in my heart.

“ I have known Jessica for almost 20 years!! Me and my boys have set in her chair since Cory and my youngest were little running around the shop! I watched Blake grow up since he was born! She cut my boy's hair up until they went off to college....Cameron would come home from Nashville to only let "Jess" touch his hair. We had so many talks, laughs, and shared stories over the years. Shared many laughs with Jay too!!! She loved her boys and was always making sure she taught them what they should do in life that she didn't do when she was young (don't we all). So much love & prayers to Jay, Cory, and Blake....she will be missed greatly and her wonderful smile as she said "see you in 6 weeks" to me as I left with my hair looking wonderful.

Much Love,

“ Jessica was my hairdresser for quite a few years and while we only saw each other then, we always caught up some with each other. Although she'd gone through many health struggles, she was always so positive. I just found out about her passing today, and will pray for God to give Jason, the boys and all her family peace and comfort during this time.
