“ Dear Jewell,

How you are loved and missed! After your mom and dad died, you became the rock in our family on which we all leaned. Even though you were next to the youngest of five sisters and one brother, you helped them all, as well as their children, of whom I am one. I remember sleeping with you and Jimmy many nights when we lived with Mama and Papa Reeves. (You and Jimmy probably got NO sleep at all!)

Your life is a testament to your faith in God and your love and care for your family and fellow man. We just look forward to seeing you again at that "Great Gettin' Up Morning" when we will rejoice together once again. Until then we love you.

“ Such a wonderful woman. Our hearts here are heavy for losing such a blessing as Jewell, but it is comforting to know she is in Heaven with no more pain, no more worldly worries. Our thoughts and prayers are with the family. We love y'all very much.

“ What an angel Aunt Jewell was! Her life was a testimony to the love of Jesus Christ. She always gave of her time and energy to help others, and always had such a calm, gentle spirit. I pray that I may be more like her. Among my fondest memories of her is the day my Daddy died, when I was just 11 years old. She "took me under her wing" and comforted me in her special, loving way. She truly was "a jewel" and will be

forever loved and missed. ~ Joanie Goddard

 “ I have been Jewell's caretaker for the past five weeks. I was honored to help her and be part of this family. What a sweet sweet family! Please accept my sincere condolences.

“ In the years I have known Jewell, I loved to have talks with her. She loved her great grandchildren, Sam and Kate, who are my grandkids. We had wonderful talks about their future. Jewell was someone who was a joy to know. She loved the Lord and was ready to go home when He was ready for her. It was my honor to be asked to stay with her at nights and watch over her these last four weeks. I will miss her greatly, but I rest in knowing she has gone home. To her family, my love and prayers are with you.
