“ Jason, Alice, and Brandon,  
I was so sorry to hear about Mr. Ashcraft. He was a great man. He hired me right out of college and taught me so much! I still to this day think about things he said to me as things come up in my classroom. I will always be so grateful to have known him.

Jason, I have lost touch with you over the years, but would love to hear from you. Kimberlee still remembers the fun time she had when you drove her and her friend around Las Vegas.

I found out about the service too late to attend, I would have loved to see you all and offer condolences in person. Know that I am praying for you all in your time of sorrow.

“ Alice, I am so sorry to hear about Jimmy. Last time I got to see him was at Aunt Toot's funeral but I still have a great picture of the 4 cousins together. Love and prayers for you all.
