“ Ms. Mary was very dear to me. She was one of the first people to greet my husband and I when we began attending Trinity Baptist Church. I think she was responsible for newcomer gifts at the time. We received two single-serving bowls, a package of chili mix, and a package of crackers as our "warm welcome" gift. I think of her every time I use one of the bowls.

She was also my "secret sister" one year and I have several little thoughtful gifts that she gave me in secret.

She always spoke so proudly and fondly of her family members, especially her precious daughter, Sabrina.

My prayers are with her family and friends at this time of loss. My God comfort and bless you all.

“ Mary was a very dear friend but more than that she was a wonderful Christian woman.

We shared a love for Jesus.

We had many good times together. She would do anything for me and I knew it. I was saddened to hear Mary had terminal cancer. She had beat this dreadful disease 3 times in the past but it was not to be so this time. Mary is now in the presence of her Lord and Savior.

My husband and I were blessed to know her.

Mary, we will see you again one day!
