“ To say how much I miss you will never be understood by others. We shared endless conversations about how it would be when one of us left our Earthly bodies and the other was left behind. My heart is broken as my soul feels wounded without you, Mary Ann. Carolina says she thinks of Grandfriend all the time and forgets she can't be with you again. Your my sweet Mary Ann are among God's brightest souls in Heaven. I will be complete when I see you again in the presence of Jesus Christ. I have been thinking of us catching snowflakes with on our tongues and laughing. I hear the thunderstorms and think about us watching the storms roll in on the stairs to the attic in Elmo.

Such joy we have found in Mother Nature. We laughed, worried, and cried together. I find myself multiple times a day thinking I need to call you and sometimes I think she will be off soon I can't wait to talk to her...as quickly and often it enters my mind it also leaves my mind leaving such a pain in my heart as tears come uncontrollably. As much as we thought we had a clear understanding of when our time would come for us to be apart...the pain is so much greater for me. I am sure it would have been for you too. The reality is I would have never expected to feel so lost without you. I keep trying Mary Ann. We both have lost people we dearly love yet we always had one another. I am so glad you are not in pain and suffering my dear friend. I know you were welcomed with open arms by our Savior Jesus Christ and wrapped in love and perfection. So many souls were there to greet you. Please forgive me for the earthly selfishness that I wish so much you were here and we were talking about our four kids and their children. I do find comfort with a bit of jealousy you are with our parents and Stephen too. I love you so much, Mary Ann.

You are missed by so many. The love you gave your family and mine with always be cherished.

Soul shine is better than sunshine. Rest In Peace and love my dear friend. My life for the remainder of sunrises and sunsets will be less without you with me. You were my favorite person to take photos of...

“ I was so lucky to have known Mary! When I first joined the Garland Habitat family, Mary and I connected over us both being born and raised in Garland. Her infectious smile and laugh would brighten my day. We got to share many laughs, conversations, lunches, and henna parties. I will never forget when a new scarf was given to her she thought of me and told me that she would love me to have it. She will be greatly missed.

“ I am honored to have known and worked with Mary for nearly four years. She was my walking buddy at the Color Fun Run back in 2017. She could always make me laugh and would brighten my day. I will miss her coming and sitting by my desk to take a break and chat with me. I will miss her hearty laugh. I will miss her stories. I will miss her presence. I will miss you, my friend.

“ I met Mary Ann thru her bestie Molly. From the moment I met her I just adored her. She had such a great sense of humor and could tell a story that kept you laughing the whole time. She will be so missed but she will always be in my heart and memories. My deepest sympathy to her family.

“ Mary didn't know my name, but I knew hers. Everyone knew "Mary." Always friendly and authentic, always welcoming to her customers, and always found a way to compliment my "finds" in her store. "Oh, how pretty!" or "Well, isn't that neat!" Her passing is a reminder to us all that life is short. In a world where we can be anything, we can be kind ... as Mary was. My sympathies to her family and a host of friends. May her memory be a blessing.♡

Mary was the gal that made you feel like you had been friends for ever, we had so much fun going out and just visiting. She will be missed by all of us who were lucky to know her

“ I worked with Mary at the Restore and from the first day I met her she treated me like she'd known me for years, she always had a listening ear, a funny saying or joke and could turn a bad day into a good day. I'll miss you always my friend and love you forever

“ As a previous board member of Habitat for Humanity Greater Garland, I had the opportunity to get to know Mary very well. She had such a love for people and the greatest sense of humor. She was the "Let's Make A Deal" of the Restore. I am honored to have known such a humorous character and beautiful soul.

My prayers are for the ones she left behind. May God cover you with his Grace and allow you to keep all the wonderful memories of Mary.

“ I worked with Mary at Habitat for Humanity in Garland. Mary worked at the Restore as an assistant then moved into the manager position later on. Mary was a hard worker, kind-hearted, and had an amazing sense of humor! I remember once we had some boxes of these hazmat suits donated and they were all individually wrapped. So Mary took one out and hung it up so customers could see what it looked like, size, etc. Just to add character, she blew up a photo of the store manager, cut the face out, and stuck it in the hazmat suit hood so it looked like the manager was in the suit! It was hilarious! That is how I remember Mary, lively, loving, and a little sassy! Beth Leos

“ Mary seemed to come up with the most hilarious quotes at work. I used to tell her she needed to write them down. One day a customer asked if she had a certain item and she said if we have it it's over there. If it's not over there then we don't have it. Also, her saying it's like a bull in the hen house.

“ Wendi and family, we are so sorry to hear of Mary's passing. I (Karen) remember your Momma as the beautiful girl with the long dark hair. Mary and I went to school together from elementary to high school graduation, Always sweet and kind to everyone. The last time we saw her was at her job about 2 years ago and she was just as beautiful as ever. She told her co-worker about Eugene and I getting married in high school and said it was a true love story for us. She always had good things to say. I know you will miss your Momma dearly, but remember to smile because she would want you to. Sincerely, Eugene and Karen Isaacs
