“ I will remember my Father In Law as a fun and loving guy to be around. He never met a stranger anywhere he went. In the 6 years that I've known him he would always be joking and would wait for me to start laughing with him. My favorite memory was just 2 weeks shy of his passing. My mom and I were having a garage sale at his house, but we ended up spending the day with him cutting up laughing. We also got to know him as he was showing us all the furniture that he created all by hand. That day turned out to be a day I'll never forget. Also thank you Mike for raising Austin to be such a caring, loving man. Mike always commented on how he loved his son and I being together. I look forward to being a soon to be Mrs.Hughes. Till we see you again, Rest In Peace Mike.
