

Oscar Gonzalez

May 14, 1963 - March 6, 2021

Brother, Friend, Uncle, passionate, loving, and caring. That is how we describe our brother Oscar Gonzalez of Garland, TX, who passed on Saturday March 6th, 2021. Oscar was born on May 14th, 1963 in Chicago, to Ana Maria Bustamante Gonzalez and Miguel Gonzalez. He graduated from Garland High School and had two associate degrees from Dallas College - Eastland. He worked for Emerson and was a Certified Field Service Technician. His job allowed him to travel all over the United States. He absolutely loved it. The family grew accustomed to getting his now infamous selfies on our 17-member message group. He will be remembered for doing it "his way." He was fiercely independent and lived his life to the fullest.

Oscar cherished his family including all of his siblings, Anna Delia, Mike, Betsy, Myrna, Marti, and Angie. He was a proud uncle to his beloved nieces and nephews, Mike, Yvonne, Ana Luisa, Ernesto, Sonny, Cici, Calvin, Andrew, Jake, Cole, Hayden, and Kate. Oscar also cherished his friendships and friends. They were also like family to him. His sudden death has left us all hurting and we will miss him immensely. He is preceded in death by his parents, Miguel Gonzalez and Ana Maria Bustamante Gonzalez, and his beloved Brother Victor Gonzalez.

“ Oscar or OG as we called him. Was a great friend not only to me but to my family, from my Dad, mom, sister, brother, wife, and kids he meant a lot to all of us. His light and laughter will be sorely missed not just by us but by the people that he has met throughout his great journey in life. I know he's up there making a bunch of his old friends and family smile again and they are rejoicing hearing that one of kind laugh! Go easy OG until we meet again I know you'll put in a good word for us all and help us when our time has come. Tell Rama we miss him dearly.

“ Oscar G. Hey man I am still in shock that you passed away. You were a great friend to Manuel, Arnold, and myself. Till we meet again, the next round of drinks are on me, and no “ One dollar Jell-O shots “ only top-shelf booze for you my man!

“ Oscar will be greatly missed. He always brightened my day. I wrote the following upon learning of his passing. He is one of the best people I have ever met. I will miss him very much.

Oscar always listened to the needs of others and his customers, he listened with empathy and a sense of urgency. His customers regarded Oscar as one of their own teammates. Oscar made excellent personal connections with everyone he interacted with. Oscar was always quick to ask how can I help? How can I support you? How do I help solve your problem? He was very personable to everyone he interacted with, particularly me. I know Oscars sales team feels the same way.

“ Words cannot explain how I felt that day I found out my friend had passed I had just spoken to him the day before about some future work we had coming up. I had the pleasure of interviewing Oscar then training him when he was hired by Emerson 10 years ago. We spoke often during the week when driving home from various locations around Texas and the surrounding states. In the last 2 weeks I have gone to several of his customers that he normally took care of and all have said the same thing, he will be greatly missed and can't believe that he has passed. These last 10 years have been some of the best years that I have had with Emerson a lot in part because I worked with someone that had your back and you could trust to send to any customer in a moment's notice. I will miss you my friend I was so blessed to have you in my life both as a coworker and even more as a friend. Love you buddy RIP.

“ Oh, man. I don't even know where to begin. Out of all the things he was to me he was a Step Dad who had a huge impact on my life. I remember being so young and scared of lightning and his crazy butt running outside to show me there was nothing to worry about. He jumped into the role of father and did great. I learned so much from him in that season. From football to softball and even his insane luck with football squares I will never forget him. The most recent memory was a few years ago. I saw him at a bar and I just remember him putting his arm around me and introducing me as his soon. It was such a cool moment and an unforgettable time. I wish we could have had more beers together. I love you and will miss you Dad. Rest in peace. - your son

“ Oscar was a dedicated Field Service Technician that my dispatch office could count on. He was a 'Yes man' and always willing to help us out. I only met him in person a couple times. He made sure to stop by our office in Minnesota to say hi to the folks he spoke with on the phone and emailed all the time, including myself. He set a high standard for other Techs to reach to. I don't think I ever got any complaints from any of his customers or other co-workers. It was a pleasure to work with him over these past 10 years and he will be missed for sure! God Bless you, Oscar, and also family/friends to be comforted by the great man Oscar was. -Zach Sand

“ I will miss my brother dearly, he was just down the street from us. We'd often share food with each other. Pretty good darn cook, we always would reminisce of our childhood. Growing up with two loving and hard-working parents. He loved listening to his Tejano music and loved dancing. Now I can only imagine him dancing with mom up in heaven. I know everyone he met, have wonderful fond memories of my brother Oscar. Thank you all for being part of his life.

“ I met Oscar shortly after a spine surgery, and we became instant friends. He would come help me with things I couldn't yet do, and he was so quick to ask how he could be of help. When I was later diagnosed with cancer, he was such a God-send, as I struggled through chemo, he again was always helping me, bringing food or supplies or even just sitting with me when I was too sick to even speak. He saw my needs and tended to them, even if I had told him I didn't need anything. ——Several times he texted me asking if I was ok. And on each occasion, there really would be something wrong/off. I asked him why he asked/what made him text me, and he just said he had a feeling something was wrong. He had a Servant's Heart. I will miss him for all of eternity. I love you, my friend. I am a better person for having known you, and I know you crossed my path for a reason. Thank You, Lord, for allowing me to know Oscar. Til we meet again, RIP

“ Let Me Go

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom-filled room
Why cry for a soul set free?

Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me, but let me go.
