“ Dear Lisa, Norma, Barbara, Jim, and Jan,

My very first memory of Paul John is before he and Norma were married when he visited Farmville and went fishing with Daddy at the cabin. Paul John and Norma were both very special to Mom and Daddy and they always enjoyed seeing them on their trips 'up north.' I'm so appreciative, Lisa, that you made it possible for them to visit one more time a couple of years ago. It was great to see them and you.

We feel your loss and wish we could be there with you all. Know that you are in our thoughts.
