

Paula Sue Newman

March 19, 1941 - January 2, 2019

Paula Sue (Robinson) Newman was born March 19, 1941, in Dallas, TX, to Robert Winston and Etta Mildred (Kent) Robinson. She attended W.W. Samuel High School and graduated Class of 1959. She soon met the love of her life, Don Newman. They were married on June 24, 1960. Don and Paula raised three children, Shannon, Kent and Robin. She was a devoted mother and caregiver to her family. She loved being a stay at home mother and active in her children's lives. Her children say she was a wonderful example of what a Christian wife and mother should be. She enjoyed filling their hearts through their stomachs. She was a great cook and was known for her red velvet cake. When her children became adults and began having their own families, her heart overflowed with love. She was now "Mommo!" Her grandchildren became her life, and she was just as devoted to them as she was to her own children when they were young. She was determined to be in every aspect of her grandchildren's lives from sporting events, theatrical performances, school luncheons and dance recitals. Her famous phrase was, "I don't want to miss anything!" Her grandchildren say, "Mommo loved big!" Her children and grandchildren also say, "They knew they were adored every day of their lives."

Paula lived her life to the fullest! She would daringly go on huge rollercoasters, ride four wheelers and go on white-water rafting trips. She enjoyed sailing, reading, dancing and hiking. She loved vacationing to the beach or mountains and everywhere in between. She was the life of the party and had a contagious laugh. Paula also had a wonderful sense of humor and an infectious smile.

Paula was a woman of faith. A devoted Christian, she lifted her spirits with daily devotionals and weekly Bible study at Waterbrook in Wylie. She looked forward to going to church and seeing her church family. She held those relationships close to her heart and cherished every moment with them. It was her faith that carried her through her life and will continue to hold her husband and children as they remember her.

On Wednesday, January 2, 2019, in the comfort of her home, surrounded by the love of her family, Paula Newman was called Home. She was greeted above by her parents,

Winston and Mildred Robinson and a host of loving relatives.

Paula's life will continue to be honored and celebrated by her loving husband of 58 years: Don Newman; daughter: Shannon Hammers and husband Brett; son: Kent Newman and wife Darcy; daughter: Robin Maher and husband Terry; brother: Bob Robinson and wife Maurine; grandchildren: Garrett Hammers and wife Cristina, Tyler Hammers, Lesley Bouldien and husband Gabe, Luke Maher, Adam Maher, Madison Maher, Brenner Newman, Carson Newman, Haley Hinds and Carson Hinds; and great grandchildren: Ben, Emmie, Will, Peyton and Kinslee; along with other relatives and dear friends.

“ Don, Shannon, Robin and Kent, I want you to know how saddened I am with the loss of our sweet, funny, concerned and loyal Paula. We always had fun having lunch together. We always left each other hugging and trying to decide on the next lunch date.

She will always be in my thoughts and all of you in my prayers. I know how difficult it's going to be. All my love, Tensey
