“ He was a very sweet grandfather, a very caring and loving man. I loved how he was always wearing his Harley Davidson motorcycle jacket.

“ My dad was the best daddy in the world. The last two years were distant between us and are forever going to be heavy in my heart but I know he was happy and was surrounded by amazing people who cared and loved him even though he was far from his own family. He wasn't very emotional and never said I love you but he did in his own way and in his own words to calm me down he would always say to me, “ ya niña no llorres ya calmate” that was my dad comforting me up until last night!!!

“ You meant the world to me. It still seems like a bad dream... so unreal. Not a day goes by that you are not missed.
