“ Dali you and your family have my deepest sympathy. May the Lord give you comfort and strength during this time of need. Ramon was a very special person to me that touched my heart. I am so glad I got the chance to know him. He was such a very caring and devoted person. He will truly be missed. He was like my second Dad here at work. It was never a dull moment with him. He always had a smile on his face. Always greeted me in the morning when I arrived to work. I am going to miss my friend and our monthly phone calls just to say hello. I really enjoyed listening to all his stories about the Philippines and his childhood friends. Most of all I really enjoyed all the stories he shared with me about you. And me always helping him remember your anniversary. He truly adored you!.  
Going to miss you, my friend!!

“ I know Ramon as a fun-loving person to be around, He was always happy and joking making you feel at ease. Ramon was a strong man with a big heart, who never met a stranger anywhere he went. I loved the stories of his life before he came to the United States. I wish he had told more about himself. I do know he loved his family and his family was the most important thing to him. Whatever he did, he did it for them. That is what a great example of what a husband, father, grandfather, brother, and friend should be.

I am glad that Ramon traveled and enjoyed his retirement. I do miss sharing peanut butter cookies with him. I am so proud of your example of how you did all the right things to conquer diabetes. There you are, another good example.

Ramon will be deeply missed.
