“ I am so sorry for your loss. I did not keep up with Rick much after High School other than on Facebook. I remember he was such a wonderful friend to everyone he ever met. He always made me smile and my heart is truly sad for his family. It hits us all so hard when we see that another classmate has passed. Many prayers for the entire family and all the friends that will miss this wonderful man. Susan Lightfoot Dorris.

“ I haven't keep up with a Rick in years, but I know that he was a great guy. All the people he ran with, loved him so much. Makes me wish I would have been closer to him. Love the memories we did have hanging out in high school. I know he will be missed.

“ Rick was a friend going all the way back to Williams Elementary. I last saw him in 2014 at the NGHS 40 year reunion, and I was so glad to catch up with him a bit, and see that he was a happy family man. Godspeed, Rick.

“ I will always remember growing up across the street from you but mostly how great it has been getting back together the past couple of years. Peace to you my friend and my brother.
