“ I'm not going to say goodbye, Sylvia Guerra Moreno. I'm going to say "Until I see you again!" I'm going to miss you. I will hold on to and cherish all of our memories we have shared, especially the funny ones! There was never a dull moment when you were around. You were more than just a friend, you were family to me! I love you and miss you already, Bob!

“ To my beloved Bob, whom I love very much and will miss ! Bob, I will always remember and miss the call when you would call me every December 2 on my son's birthday to sing him a birthday song in a doggy voice! You did it for 27 years and now you can sing to him in heaven. That was so special to me because you never forgot that call. I will miss the calls you made to me just to vent! My ears and shoulders were always there for you! I will miss you so much. God took you so young but he had much bigger plans for you. Maybe there were some sad angels in heaven he wanted you to make laugh, because we all know that you were good at doing that! Rest In Peace, baby, until we meet again! Tell my son I love him and miss him and ya try to keep down! I love you,Tia Virgie
