

Terry Dale White

July 23, 1956 - October 19, 2018

See you later my sweet family and friends. Do not grieve for me because on Friday, October 19, 2018, I left my painful, cancer ridden body to walk the streets of gold with my Lord Jesus. It saddened me to leave behind my precious wife: Tammie, of 29 years; my three children: Trenton Dale and my daughter-in-law Lynsey, Dakota James and his fiancée Ashlea Gilbert, and my princess, Madison Nicole and her boyfriend Brady Jump. Let's not forget the light of my life, my granddaughter, Addyson Kay White. I also had the privilege to have two god daughters: Bailey and Payten, whom I loved dearly and was very proud of.

From my humble beginnings in Wichita Falls, TX, life has been very kind to me. I was blessed with loving parents: Kelly, Coy, Lucky and Jessie. But the most joy and fun I got out of life was my time spent with my two brothers: Steve and Bobby. Oh, what stories we have to tell. Together we made it through some pretty rough times, but I am so proud of the men you are today. God know they would need taming down so he blessed them with loving wives: Diane and Janna. I was also blessed with former/forever sisters-in-law: Diane Syms and Debbie Thompson.

My life was so complete and blessed by all my nieces, nephews, great nieces and nephews, and cousins. You brought me so much joy and happiness. Our time together, whether on the porch, the roping arena, at the kitchen table, or at the hunting camp, were times I treasured and I hope you will always remember those times with a smile. I had some of the best role models ever in my Aunt Kay, Uncle Roy Lee, Knight and Uncle Gary and Aunt Glenda Dale.

Most men are blessed with one love in their lives, I however, was blessed with two. I was privileged to marry my high school sweetheart, Sandra Welch Reilly. She blessed my life in so many ways and I will love her always. Guess I was the kind of guy who needed two good women to keep me lined out and up until my last breath, they did their jobs.

I have had a great life; don't cry for me. Instead put your focus on taking care of your

families. Love them, hug them, tell them you love them, but most importantly, teach them about Christ. Without Him, they will never know true inner peace as I did.

My friends and precious family, hold each other tightly, think of me often with a smile. I'm always with you. Don't be afraid...Hold your head high...and hunt on!!!

I love you all,
Terry

“ I think I was in 6th grade, I was helping Uncle Terry for the summer bale hay. I told him I wanted to learn how to ride a bull. He told me, "No problem." He told Todd to go get me a bull rope. We were inside a small barn and he put me on top of a little steer he had and said, "He will work for now." We went around the barn and we went through the barn wall. Down the alley, that's where I got off. Keep in mind my aunt was very protective of me. I have no shirt, scratched from head to toe. Needless to say we worked late that night, well, until Tammy came and found us.

“ Great guy. Quiet gentle giant. Loved and adored his kids and family. He lived every second for them. Our wall still stands tall and strong; well built by one of White boys, the old fashion way. R.I.P. old friend. Look forward to seeing your smile again. With our thoughts, prayers, and sincere condolences,

“ I'm so thankful for the precious time that we got to spend together, it was not enough for me. Hearing all the memories and seeing all your photos of you and your family just puts into perspective how much of an amazing man you were with a testament to live by with a blended family. Thank you for your words of advice and encouragement all the while you were feeling so bad. I will never ever forget our meaningful conversations! I wish we could have gone jug fishing like we talked about!!! I promise I will hold true to my promises I made you!

I'm so thankful you have no more pain and you are done with that nasty cancer. I am thankful you are resting at the right hand of our Father and peacefully with the Angels. Fly high my friend till we meet again. ♡Tamara

“ When my momma passed away 5 years ago I was so lost. Of course I was invited to the “White house” as I call it, to visit for a while. I told Terry that I felt lost and that I was always out driving around to avoid going home. He said “Well just drive on over here anytime. Stay as long as you like. Our home is your home and you are family.” So I did quite a bit for a while. Such a wonderful man. Terry & Tammie always make sure I know I’m welcome like family. I love you both. Terry I will see you again one day my friend. You’ll be missed by so many. I told my momma to welcome you through the gates when you arrived so I’m sure she gave you a big hello !! Much love & Peace Papa White.

“ Terry was one of my precious class members. I moved to Quanah in 1966. I was in the 4th grade. From that time on, we, the class of 75 grew up together and shared lots of memories. Terry was one of the “football boys” and all the girls loved him. He was always funny and a joy to be around. He is part of my life and the lives of many others and he will be missed. May you Rest In Peace my friend and know that you will never be forgotten and we shall meet again. You just went a little sooner...
