“ Marcyille and family - You all are in our thoughts and prayers during this time of loss of your family member. I remember being around him several times and he and I would talk about the post office. Since my parents both retired from there I felt like I had that little bond with Tommy. I know he will be greatly missed by all of you that loved him. Marcyille, losing a father is never easy. Cherish the good memories. All my love. Deanna Sargent and the Sargent Family
