“ Dear Sandy

First I want to say how deeply saddened we all are from Tim's Passing. May our prayers guide his soul to our Heavenly Father. Please accept my deepest condolences.

Tim always spoke to us about you and sugar bear. How he would show us pictures and how happy his grandbabies made him, oh the big smile he would have. I want you to know Tim was a great man, funny, very caring and encouraging to all of us here in WellCare. I will miss his jokes and his looks when I am eating something I am not supposed to. Tim will forever live in our hearts. This is not a good bye but until we meet again. Rest In Peace Jefe

“ Dearest Sandy -- I am soooooo sad to hear about the news of Tim's passing. I am just in shock! He was such a nice man and I remember him being larger than life! I will never forget when he would come and pick you up and have Sugar Bear with him!! He was always in such a good mood and so kind each and every time I saw him. I bet Sugar Bear is sad too! My heart aches for you and your family. Even though he is not physically here, I have no doubt that his love will continue to stay by your side. May God ease your pain during this sorrowful time. I will continue to keep you in my thoughts and prayers. Love you to pieces. Heather F.
